Masks are OPTIONAL while in our facility. You may bring one (1) person with you who must stay with you throughout your appointment.

NOTE: IN OUR OFFICE YOUR EYES ARE DILATED AT EACH VISIT. YOU MAY NEED TO MAKE ARRANGEMENTS TO HAVE SOMEONE DRIVE YOU TO YOUR APPOINTMENT. PLEASE PLAN ON BEING AT YOUR APPOINTMENT FOR AT LEAST TWO HOURS.

Your appointment is in our main office which is on the second floor of the Fifth Third Bank Building at 2601 Far Hills Avenue. This building is on the west side of Far Hills. An elevator is located at the front of the building. You may park anywhere in the south end of the bank lot and then walk around to the front door. As you approach the front door of the bank, you will see a side door on your left. This is the entrance to the stairs or elevator to bring you up to our office on the second floor.

There is a drop-off area at the front of the building. If someone is bringing you to your appointment, they may pull up in front onto the drop-off area which takes them out of the lane of traffic on Far Hills. They can then assist you into the building where we have a chair inside the door. Your driver can then park the car and return to bring you up to the second floor for your appointment.

If any of these instructions are not clear, or if we can be of any further assistance, please feel free to call the office. We look forward to helping you in any way we can.
